Dear Candidate Cunningham:

Congratulations! You have received the 2018 Primary Election endorsement of the Illinois AFL-CIO.

The Illinois AFL-CIO represents 1,500 local unions and nearly 900,000 union women and men in Illinois. The political arm of our organization, the Committee on Political Education (COPE), met last week and considered the records of incumbent public officials and questionnaire responses for new candidates. Your support of the Illinois AFL-CIO on issues affecting the working men and women of Illinois earned you the endorsement of the State Federation Executive Board

Our affiliated local unions and organizations will also be notified of your endorsement. Please feel free to add our organization to any list of endorsements you have compiled and to mention our support of your candidacy to any unions you contact. If you have any questions, as always, please feel to contact us or Political Director Bill Looby at (217) 492-2612.

We wish you well in your campaign and look forward to working with you in the months and years ahead. It is crucial that candidates and elected officials support the Labor Movement by using union printers. For a list of all union printers in the state please check www.alliedlabel.org.
